

Posh Pickled Carrot Salad

Printed from Carrot Recipes at <http://www.carrotrecipes.co.uk/>

In this salad, carrots are tossed with balsamic vinegar, shallots, parsley and salt and pepper - it's that simple! The balsamic lightly pickles the carrot, making it an excellent side dish and also a great accompaniment to cold cuts of meat.

Ingredients:

2 large carrots
200ml good quality balsamic vinegar
2 tbsp. chopped parsley
2 shallots
Salt and pepper

Directions:

1. Finely grate the carrots and thinly slice the shallots. Toss the carrots, balsamic, parsley, shallots and a good pinch of salt and pepper together. Leave to sit for 10 minutes then serve.
